User Guide

## PURPOSE

CRD Performance Deck turns delivered orders into daily follow-up leads for the CRA team. It assigns leads automatically, tracks every call outcome, carries unfinished work to the next day, and shows team performance at a glance.

## 1 Signing In

Sign in with the Google account a Super Admin gave access to.

- 1 Sign in with Google.
- 2 Keep me signed in on this device.
- 3 CRD Performance Deck branding.

### How to use

1. Click **Sign in with Google** and pick your work account.
2. "Doesn't have access" means you haven't been added yet. Ask a Super Admin.

## 2 Roles & Access

What you see depends on your role. Super Admins can create custom roles.

### 3 Dashboard

Team performance at a glance, for today, this week or this month.

Everyone · CRAs see only their own numbers

- 1 Switch period: Today / Week / Month.
- 2 Leads, Processed %, Converted %, Went cold %, each compared with the previous period (▲ / ▼).
- 3 Daily trend: processed vs. unprocessed.
- 4 Customer tags: Hot, Cold, Warm, High value.
- 5 Top CRAs: Done, Open, Converted.

#### Good to know

- **Processed** = a status was set. **Converted** = Repeat Purchase "Yes", or "No" with feedback PURCHASED.
- Green arrows are good changes; red arrows need attention.

## 4 Segmentation Tracker — Daily

Customers whose product runs out today become leads. Each CRA gets 70 a day, returning customers first, and extras are split evenly.

Carry-over 28

No status, PJR, Repeat Purchase or Inactive — stays with the same CRA.

- 1 A black corner means the customer has a note.
- 2 Hover to read it, with who wrote it and when.

How to use

1. Hover a customer name and click the pencil.

2. Type the note and click **Save**. Use **Delete note** to remove it.

## 5 Carry-over & Transfers

These customers move to the next day with the same CRA: **no status**, **PJR**, **Repeat Purchase** or **Inactive**. Carry-over stops once the status changes to Active, Busy/Callback, Reminders/FFUP or Blocked.
